Welcome to Christmas 2008 at The Wheelhouse, Falkirk and The Boathouse, Kilsyth

Christmas is an occasion that the teams here at Townhouse Restaurants are really looking forward to. It's a time to gather with friends and family or just generally socialise and wind down over the festive season.

We have created a festive package that will suit the needs of any occasion whatever the size of the party. Whether you are looking to spend a precious few hours with a loved one, or to party the night away with colleagues, we are certain that we will have a menu and occasion to suit your needs.

New to Townhouse Restaurants' Christmas package this year is **The Boathouse Pub, Restaurant and Rooms**, located overlooking the Auchinstarry marina with spectacular open views to the Campsie Fells, Kilsyth.

The Boathouse offers 10 luxurious bedrooms many with stunning marina views for those of you who want to make a night of it.

Here at **Townhouse Restaurants** we understand the additional pressures involved in organising an office evening out or pulling together family from around the country for that once a year special meal. We aim to make that process as comfortable as we can. You can be reassured that every effort will go into making your Christmas celebration a memorable occasion, our team are here to help you have your most enjoyable Christmas ever.

Why not start your evening with a Christmas cocktail or a classic from our list? If cocktails are not your fancy then we have put together an award winning wine list with some old world classics and a few quirky new world favourites... you will not be disappointed.

Please feel free to speak with any duty manager if you have any special dietary requirements or you require any assistance organising your event.

We look forward to welcoming you and your party over the festive season at **The Wheelhouse, Falkirk** and **The Boathouse, Kilsyth**.
